As EASAPS president I am honoured that the **2019 EASAPS meeting** will be held in **Bruges**. It will be a pleasure to meet you in one of the most beautiful cities in the world, in the country that is my home.

We will be able to spend a few days focusing on our speciality, but we also have the opportunity to catch up with old friends and make new connections that will allow us all to build a strong network in our speciality.

The aim of **EASAPS fellowships**, awarded every year, is to encourage, secure and harmonize surgical training in Aesthetic Plastic Surgery across Europe. These fellowships finance a one-month experience to be spent in a European training center. EASAPS decided to set up two annual awards of **2000 € each**. One will be granted by personal application for 2018 (to be used in 2019) and a further grant will be awarded for the best paper at EASAPS meeting in BRUGGE/Belgium 2019.
